

## MEDIEVAL PROPS PACK 01

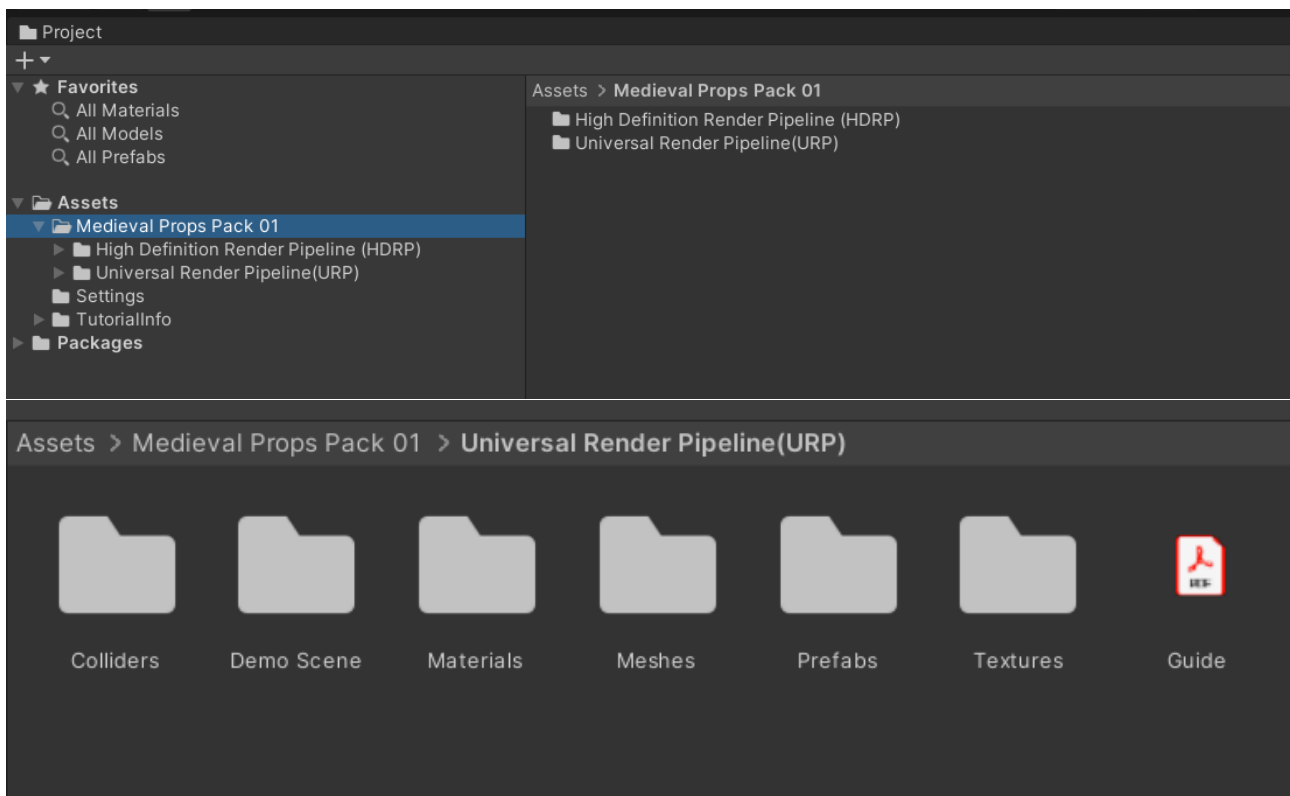

**Thank you for your purchase!**

We are Astra Forge hope that this asset pack will add value to your projects. If you encounter any problems or need assistance, you can contact us at [astraforgeofficial@gmail.com](mailto:astraforgeofficial@gmail.com).

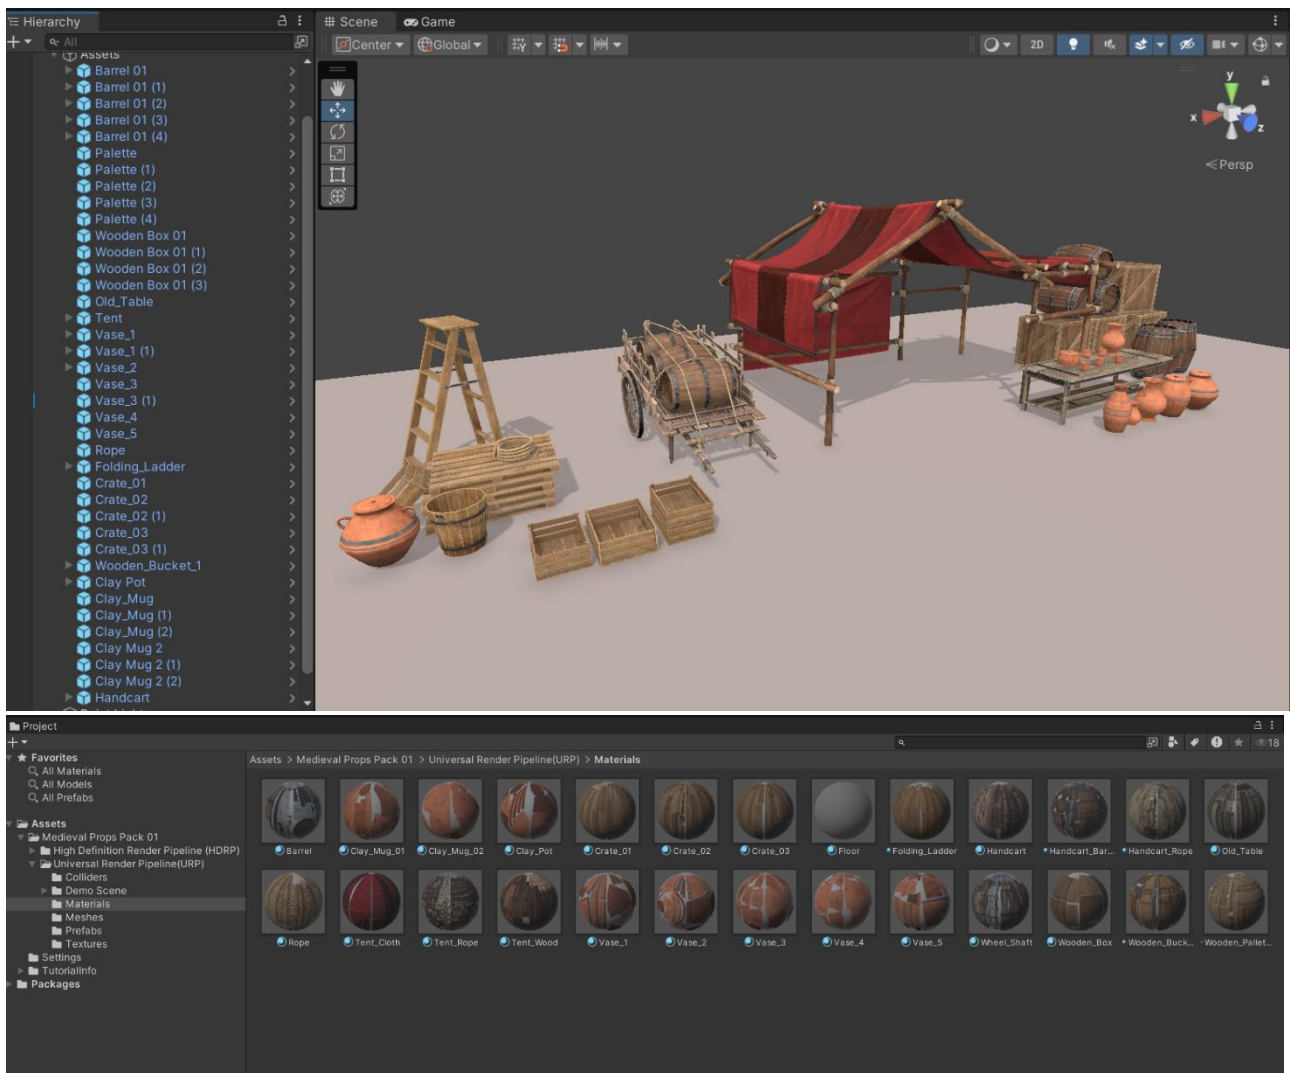

**License:** The license for this product includes PERSONAL and COMMERCIAL USE rights. You may modify this asset and its artwork; however, redistributing or selling this asset or its content is prohibited.

### First steps understanding the asset:

Separate folders have been created for Urp and Hdrp. Each folder consists of materials, textures, prefabs, meshes, demo scene and colliders subfolders.

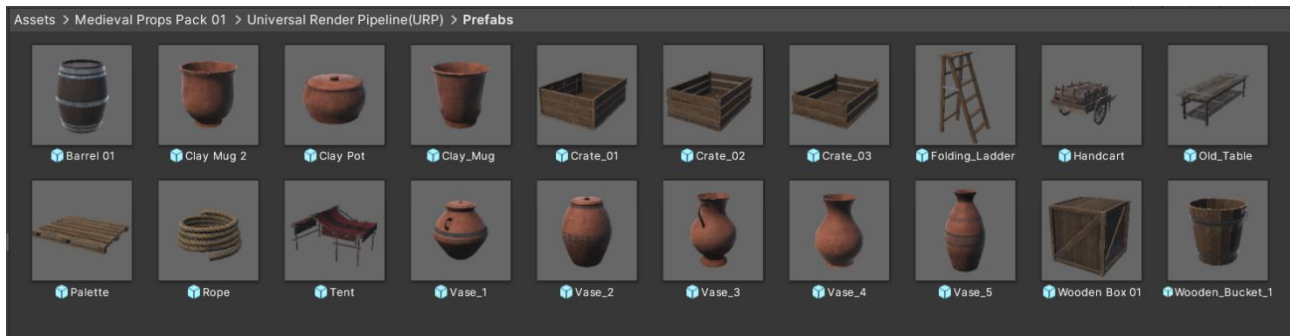

You will find a **Demo scene** ready with all the Prefabs, Materials, Textures and Meshes setup and ready to use.

### Package Includes:

- 1x Barrel
- 2x Clay Mug
- 1x Clay Pot
- 3x Crate
- 1x Ladder
- 1x Table
- 1x Rope
- 1x Tent
- 5x Vase
- 1x Wooden Wheelbarrow
- 1x Wooden Box
- 1x Wooden Bucket
- 1x Wooden Pallet

**All Texture Sets:** 2048x2048. Only Clay Mug, Clay Mug 02 and Rope are 1024x1024.  
The filter mode is set up by default (Bilinear)  
The compression is set up by default (Normal Quality)

All the PREFABS have a custom mesh COLLIDER

We wish you success in your projects.

**Sincerely regards,**  
Astra Forge Studio
